## *Menus*

On the following pages you will find a comprehensive menu selector, allowing you to create a menu that suits your individual requirements. If there are any dishes you would like which are not listed, please speak to our Events Team.

### *Service*

Unless you have chosen a buffet option, all courses will be served to you and your guests at the tables along with coffee and wine. For buffet style main courses guests will be invited to the buffet a table at a time to avoid lengthy queues. Our friendly, experienced staff will be on hand all day to look after you and your guests.

When choosing your menu, please note that these menus are priced on the basis that you choose only one dish for each course. It is not possible to provide multiple-choice menus for your guests as it delays the service to an unacceptable degree.

### *Special Dietary Requirements*

As you will see, vegetarians are catered for at the same price. Again, only one choice is possible. We are also able to cater for guests with special dietary requirements, providing we are informed in advance.

### *Children's Menus*

For the children, simply halve the price of the adult menu. Please pre-order the children's menu when confirming your numbers, again only one choice is possible.
