Funeral Receptions at the Cresset

We would like to take this opportunity to express sincere condolences to you and your family on behalf of the Events Team at the Cresset, at this sad time.

If you are thinking of offering refreshments after the service for your loved one, the Cresset's Events Team will provide personal and sensitive assistance during your visit, taking care of all the details from your catering arrangements to meeting and greeting your relatives and friends.

Please see attached our menus which are priced at a cost per person and we will cater for any dietary requirements on request. We can provide a private room, complete with a bar if required, for small or large gatherings, but a small room hire charge will apply for numbers below 50. Parking is free and our facilities have disabled access.

If you are interested and wish to check availability, please contact the Events Team on 01733 842513 or 01733 842515 to discuss your requirements or view our facilities.
