

# What's On Brochure

Spring/Summer 2024

What a year 2023 was for The Cresset! We celebrated 45 years at the heart of the community with a fantastic free birthday party and were delighted to see so many of you join us in celebrating and enjoying some of the amazing performances from talented local acts on the stage.

We were also really excited to work with the incredibly talented Nathan at Street Arts Hire on the installation of a showstopping mural which takes pride of place on the concourse and celebrates the diverse range of activity that goes on here every year.

We welcomed over 50,000 people (at time of writing) to see live performances during 2023, hosted dozens of weddings, parties and family celebrations, provided facilities for conferences, training, exhibitions and community events, and continued to offer a warm welcome to all our visitors throughout the building. We are grateful to all of you, and particularly to those who kindly made a donation when booking their tickets. These donations help us to continue to develop our performing arts work and to give free opportunities to more young people each year. We thank you.

In November, we staged a brand new in-house production. *Nativity the Musical* starred a cast of 80 young people who auditioned to be a part of the show, and played to a total audience of over 2,000 people to great acclaim. As we write this we're on our way to Pantoland, and looking forward to heading down the yellow brick road to Oz!

2024 is set to be another busy year - as you will see over the coming pages, we've got plenty of live entertainment in the calendar for you. We're taking a break in January to install brand new seats in the theatre, and then it's all systems go! From **Al Murray** to Strictly's **Graziano**, from **Ben Fogle** to **Kate Rusby**, there's something for everyone.

While the brochure is correct at time of printing, we're booking new dates all the time so remember to check the website for the latest information, and to book easily online. To be first in line for new shows on sale and special offers, make sure to join our mailing list and get regular updates direct to your inbox!

# YOUTH INVESTMENT FUND

In 2023, YMCA Trinity Group secured over £5 million of funding from the Youth Investment Fund to support and expand the work The Cresset does with young people.

The majority of the funding is to secure the long-term future of The Cresset building, by replacing the roof and drainage infrastructure, ensuring a safe and dry venue for all of our activities for years to come. In addition there will be investment into the theatre space, including new seating to be installed in January 2024, new energy-efficient lighting systems, and more accessible facilities for disabled performers including changing spaces and a stage lift.

Building work is in its preliminary stages as we write this, and through 2024 you will see much activity as the work begins in earnest. We are very grateful to the Youth Investment fund, and delighted to be able to make these improvements to ensure The Cresset is here for many years to come!

In addition, we will continue to grow our performing arts programme, and strive to offer more free opportunities for young people to participate in events. We will also be working closely with YMCA's Youth Work team as they develop a brand new youth service in The Cresset, designed to deliver a safe space for young people with activities, opportunities and support for ages 11-18.
